Working with web forms/surveys in the Ektron System

Accessing the “Help” in Ektron

You will need to login to the Ektron staging environment in order to access the following link.

http://documentation.ektron.com/cms400/v8.60/reference/Web/EktronReferenceWeb.html#Content/HTML_Forms.htm?Highlight=survey

Ektron provides powerful online form capabilities, letting you create an online dialog with visitors. Anyone can create and deploy Web forms.
